Government Computer News

A traffic analysis tool conceived by the National Security Agency and born at the Naval Postgraduate School has come of age in a commercial application. [more...](#)

California could take more hits in future base closings

San Diego Union Tribune

The Bush administration's call for another round of military base closings has drawn cries of protest from many California officials, who say the state suffered an unfair share of the pain of past closures. [more...](#)

NPS librarian earns top federal honor

The Monterey Herald

The stern lady in the dowdy dress with fingers to her lips, shushing her patrons, no longer fits the image of today's librarian, according to Lillian Woon Gassie, senior systems librarian at the Naval Postgraduate School in Monterey. [more...](#)

NPS librarian earns top federal honor

FCW.com

The Library of Congress' Federal Library and Information Center Committee will give awards on March 25 to federal libraries and librarians for outstanding work and technological innovations in 2003. [more...](#)
